

Verein zur Förderung der Forschung  
und Ausbildung für Faserstoff- und  
Verpackungschemie e. V.

**Invitation to the 29th VFV Lecture Event  
“Trends 2024 in the Field of European Food Packaging“  
on 23 April 2024 in Aschaffenburg**

On the occasion of the annual general meeting of the research association "Verein zur Förderung der Forschung und Ausbildung für Faserstoff- und Verpackungschemie e.V. (VFV)", a lecture event will take place for the 29th time concerning topical issues in the field of food packaging.

Once more many qualified orators from various sectors of the manufacturing process, the refinement and the analysis of food packaging materials are invited for many issues. As soon as the agenda is at hand, we will publish it on our homepage.

For the most recent information on the event, please visit our website

[https://www.vfv-aschaffenburg.de/index\\_e.htm](https://www.vfv-aschaffenburg.de/index_e.htm)

The conference languages are German and English. All lectures will be translated simultaneously.

We would very much appreciate to be able to welcome you at the conference.

The lecture event will take place on

**23 April 2024 in the Stadthalle Aschaffenburg.**

Chairman: Dr. Ralph Derra, ISEGA Forschungs- und Untersuchungs-Gesellschaft mbH, Aschaffenburg

Costs per person: € 380,00 or € 290,00 for VFV members respectively  
(additional € 13,00 for administration costs will be charged for foreign participants)

Documents, lunch and drinks are included in the fee mentioned above.

Please give your binding registration until 12 April 2024:
